Subject - Grant of vacant site to Sri Ramadevaru Temple in Durgigudi Extension, Shimoga Town - free of cost

In forwarding herewith in original, the entire file of correspondence received from the President, Town Municipal Council, Shimoga, (Vide his letter No C3-112/41-42 dated 27th May 1942) on the subject noted above, I have the honour to state as follows -

There is one Sri Rama Devaru Temple in Durgigudi Extention of Shimoga Town This is a private Hindu religious institution which is used by the public of Shimoga Town particularly by the Hindu residents residing in Durgigudi The temple in question is stated to have been built by the charity of one Mr Muniyappa, a contractor and others and maintained by the former Mr Muniyappa and the public of Shimoga Town having petitioned to the local Municipal Council for grant of the bit of site opposite to the Temple, for providing a compound wall to the Temple, the question was considered by the Municipal Council, Shimoga, who in their meeting held on 29th January 1941, passed a resolution to the effect that the vacant land beyond ten feet from the top step of the well may be granted to Sri Ramadevaru Temple, free of cost, on condition that the well should be converted into a draw well and left open for public use

A copy of the resolution of the Municipal Council is enclosed herewith for kind reference

The Municipal President states that the site in question measures 60' x (72' x 72½')/2 as described in the sketch enclosed in the records He recommends that sanction of Government might be obtained to the grant of the site, referred to above, free of cost, for the use

of the Sri Ramadevaru Temple, subject to the several conditions stipulated in the Municipal resolution referred to above

As regards the existing step well which is adjacent to the proposed bit of site to be granted, the District Health Officer, Shimoga, has opined that the existing step well is a source of danger to Public Health from the point of view of spread of Guinea worm disease and further it is a cause of some deaths by drowning He suggests that if it is not possible to close the well, it might as well be converted into a draw well immediately One of the condition attached to the proposed grant is that this well should be converted by the grantee into a draw well

The grant of site, free of cost, requires the previous sanction of Government as contemplated in section 38(2) of the Town Municipalities Act

In these circumstances, I request that sanction of Government may kindly be obtained to the grant of the proposed site, measuring 60' x(72' x 72')/2 free of cost to the use of the Rama Devaru Temple, in Durgigudi Extension, subject to the condition that the donor of the Temple Mr Muniyappa should furnish a proper mutchalika, to the Municipality, agreeing to abide by the several conditions stipulated in the Municipal resolution referred to above and that the donor should not claim any right over the well

The connected records accompany for kind reference and return when done with
